

Position: Equipment Operator III
Department: Public Works, Trash
Salary Range: \$39,520
Date: 7-24-2024

General Nature of Work:

Operates a knuckle-boom loader, as well as uses hand tools in the collection of yard waste and commingle. Composes lists of yard waste and commingle piles requiring special action, such as mixed piles and excessive volumes. Corresponds with the Solid Waste Supervisor and Assistant Solid Waste Supervisor to turn in all lists and to keep them apprised of any areas of the waste stream needing attention. Fills in knuckle-boom collection holes. Performs pre-trip inspections and routine maintenance on equipment. Cross trains on other equipment and duties. Performs other duties as required.

Training and Experience:

Must be a high school graduate or equivalent. Must have experience in the operation and scheduled maintenance of heavy equipment associated with yard waste collection. Must possess a valid Class A CDL.

If you feel you qualify for the above position, you must report to the Human Resources Office to indicate your interest.

Position openings are to remain posted for three (3) working days before the position is filled so that all qualified employees will have an opportunity to apply.
